## HOW TO MAKE

### DIRECTIONS

Preheat oven to 375°F.

In a food processor, pulse DORITOS® FLAMIN' HOT® Nacho Flavored Tortilla Chips to make finely crushed crumbs. Transfer to shallow dish and set aside.

On lightly floured work surface, unroll crescent rolls two at a time, keeping pairs together to form rectangles. Pinch the perforated edges together.

Place a half cheese slice in the center of a pastry rectangle. Arrange 1 tbsp jalapeño slices in a line down center of cheese slice. Lay a sausage on top. Fold the short edges over the ends of the sausage and then roll up the pastry along the long edges to enclose the sausage. Repeat with remaining pastry rectangles, cheese, jalapeños and sausages. Refrigerate, covered, for 10 minutes.

Meanwhile, in a small bowl, whisk together Tabasco, egg and milk. Brush each rolled sausage with egg wash and roll in crushed chips until well coated.

Place seam-side down on greased parchment paper-lined baking sheet. Bake for 25 to 30 minutes or until golden brown, pastry is fully cooked and sausage is heated through.

Serve hot with ketchup and mustard for dipping.
